“The reputation of Foster + Freeman is built upon quality, not only in the design and manufacture of its products but in the service and support that it provides to its worldwide customer base.”

Foster + Freeman maintain the highest standards when it comes to supporting its customers and their products.

Our Customer Service Contracts offer a flexible solution for customers that require comprehensive and worry-free service with access to unlimited support, priority response times, preventive maintenance visits and access to loan units.

Customer Service Contracts are the only way to minimise down-time and maximise the productivity and lifespan of your Foster + Freeman products.
